

Early Childhood Council of Kern

Planning for quality early care and education.

"The Early Childhood Council of Kern is dedicated to promoting and supporting a community-wide effort that results in a quality child care system that meets the needs of all Kern County children and families."

WHAT WE DO

WHO WE ARE

A 30-member group working together to increase the availability of high-quality early childhood services

The group is made up of:

Early Childhood Professionals

Parents

Local Public & Community Agencies

Promote the importance of high-quality early childhood learning experiences

Collaborate with local groups and agencies to address local early childhood needs

Coordinate professional development opportunities for early childhood educators and professionals

Identify the areas of our county that need access to high-quality early childhood programs

Learn how you can help shape the future of Kern County's children!
